Another day, another data breach, identity theft, and instance of financial fraud. We're all connected, but are we properly protected? There are some simple things we can do to reduce the risk of living and working in this crazy online world. In this interactive, high-energy Zoom presentation, attendees will leave with...

- Knowledge of common technical and human-based cyber attack methods...
- Cyber hygiene techniques to protect yourself, your company, and your money from evil hackers...
- Ways to apply simple hygiene solutions of protection, detection and response.

Attendance at this roundtable discussion is worth .1 Continuing Education Units/CCE Recertification points.
